On January 9, 1984, the State of New Jersey enacted Chapter 443 of the laws of NJ 1983 concerning the periodic testing of public water supplies which establishes a water tax of \$0.0748 per 1000 cubic feet (\$0.01 per 1000 gallons} for water delivered. This tax is included in the current water rates.

1cf equals 1 cubic foot ■ 1ccf equals 100 cubic feet ■ 100 cubic feet is equivalent to 748 gallons

Trenton Water Works encourages all customers to register online at trentonnj.org "Emergency Broadcast System" to receive telephone notifications for all water related emergencies. This is a free service.

Trenton Water Works anima a todos sus clients a registrarse por Internet en el "Sistema de Alerta de Emergencias" en su sitio web trentonnj.org, para recibir alertas por telefono para todas las emergencias relacionadas con el agua. Este es un servicio gratuito.
